

Pre-PETS Training **Dates and Locations**

Congratulations on being chosen to lead your Rotary Club in 2018-19! I am so pleased to be serving with each and every one of you. As District Governor-Elect, it is my responsibility to provide you with proper training to be a successful Club President.

Your training begins with Pre-PETS Training Seminars that will be held in four locations throughout the District in February and March. At Pre-PETS, you will receive useful information to plan your year as Club President. You will also have the opportunity to provide input for the District sessions to be held at Tri-PETS in March.

You may attend whichever session that is most convenient. Pre-PETS will last approximately two hours, dress is casual and refreshments will be served. There is no cost to you or your Club to attend, **but an RSVP is required.**
